

GEORGIA BEHAVIORAL HEALTH
NOW OPEN IN SUWANEE

Same compassionate, evidence-based care, closer to you.

Dr. Neha Khurana, MD Psychiatrist
Top Doctor, General Psychiatry

Georgia Behavioral Health provides compassionate, evidence-based psychiatric care for children, adolescents, and adults. Our licensed clinicians offer therapy, medication management, and advanced treatments for patients who have not responded to standard care. Beginning November 2026, we will be serving the Suwanee, Johns Creek, and North Gwinnett communities at our new Suwanee location.

SERVICES

Psychiatry and Medication Management

- Personalized psychiatric evaluations and treatment plans
- Long-acting injectables (LAIs) for sustained symptom relief
- Medication-assisted treatment (MAT) for substance use disorders

Therapy and Counseling

- Individual therapy (CBT, psychodynamic)
- Couples and family therapy
- Child and adolescent therapy

Advanced Treatments

- TMS Therapy, SPRAVATO, and IV Ketamine for treatment-resistant depression

WHAT WE TREAT

- Treatment-Resistant Depression
- Depression
- Anxiety
- OCD
- PTSD
- ADHD
- Bipolar Disorder
- Schizophrenia
- Perinatal Depression
- Substance Use Disorders

WHY GBH

- ☐ In-network. Commercial plans, Medicare, and Medicare Advantage.
- ☐ Seen quickly. New patient appointments typically within one week.
- ☐ Physician led. Board certified psychiatrist on site for every level of care.
- ☐ Built around your schedule. Saturday and weekend hours, in person or virtual.
- ☐ Your choice of care. Therapy and medication together, or therapist-only visits.

TREATMENT-RESISTANT DEPRESSION CLINIC

All three advanced treatments available under one roof

TMS Therapy

FDA-CLEARED & FDA-APPROVED

Non-invasive magnetic stimulation for depression and OCD. No sedation, no systemic side effects.

SPRAVATO® Esketamine

FDA APPROVED

Certified REMS treatment center. Administered and monitored on site by our clinical team.

IV Ketamine

OFFICE BASED INFUSION

Physician supervised infusions with continuous monitoring throughout each session.

REFERRING PROVIDERS: We accept referrals and return a coordination of care summary to you after evaluation.
